Advisory -13

Sir,

Sub: - Staff with COVID like symptoms –need to sensitise – Reg.

In view of the rapid spread of COVID-19 in the zone, officers/employees with mild COVID-19 like symptoms like cough, running nose, fever etc., are advised to take rest at home till the symptoms subside and to monitor their health status closely. It is observed that the sample for COVID testing are being given and the employees are attending office at the same time. Such employees should be advised to refrain from attending office till their test report is negative since they are the potential carriers of the virus and will probably infect their co-employees in office. Suitable instructions to this effect may kindly be issued sensitizing all the employees in your Commissionerate.

This issues with the approval of the Chief Commissioner,

Yours faithfully,

(Dr. Manjula D. Hosmani)
Additional Commissioner
Head COVID Volunteer Group
