

**ICES Advisory 11/2020 (RoSCTL) - Operationalization of RoSCTL scheme in ICES - reg.**

Dear all,

RoSCTL scheme has been notified vide CBIC Notification No 13/2020 dated 14.02.20. The same has also been enabled in the System now. All the Shipping Bills where RoSL is opted by the exporter are being transmitted to DGFT for issuance of RoSCTL scrips. The scrips are issued by DGFT and transmitted electronically to ICEGATE exactly like MEIS. The registration of the scrip has also been enabled in the Licence Management option of the APR role with scheme code = 39.

2. It may be noted that like MEIS, the RoSCTL scrips also have to be registered only when transmitted electronically from DGFT. No manual registration should be resorted to. Further, since RoSCTL scrip is also paperless and transferable like MEIS, the ownership of the scrip must be verified from the DGFT's portal when the same is used in Imports for duty payment. All other checks and balances observed at the time of registration or utilization of MEIS scrips should be observed for RoSCTL scrips as well.

3. Trade and officers in your jurisdiction may be suitable guided.

सादर/Regards
